

... changing the status quo

About us

Gear design studio designs, develops and produces a distinctive line of contemporary designer apparel and accessories for Men and Women under the label, GEAR.

Our target age group is from 18 to 48.

Our product line includes all type of ready made's such as Jackets, Sweaters, Sweats, Shirts, T-shirts, tops, underwear, jeans and pants. Our team of in house designers produce a total of four collections per year and every collection has to be cool and hip in quality, appearance and fit.

The gear brand attracts customers who are intrigued by the playful sensual and evocative imagery of the gear lifestyle. We always offer our line of merchandise branded with the distinctive gear logo to increase brand awareness.

Within our stores and through our online store and wholesale operations we seek to create an upscale, inviting environment that further enhances the gear brand and builds customer loyalty and demand. Furthermore, we train our sales associates to be responsive and knowledgeable and encourage them to reflect the Gear image.
